Jon Furner

my parents' eye for one year on June 19. They are Eric and Shelly Bunker of Heber. I have one loving sister, Brandy, to help me celebrate on my special day. My grandparents are Edward and Darlene Bunker of Lindon and Michael and Sandra Richins of Heber. My great-grandparents are Earl and Ella Openshaw and Russell and Dora Fautin, all of Lindon and Jennie Keele of Provo. I have lots of special aunts and uncles to love me and help me have fun on my birthday.

Sherry Dawn Bunker

Birth

Kevin and Kathy Maxwell would like to announce the birth of their son, Jesse William, 6 pounds 6 ounces, born May 20,

His grandparents are Linden and Wilma Maxfield, William and Slauna Brereton both of

Hospital, His & Hairs, Dr. Kraig Ford, House of Frames, Heber Valley Care Center, Hylander, On Top of It All, Brigham's Emporium, Heber Creeper Ticket Office, Belle Star Saloon, Shirt Off My Back, Nan-Sing's, Nielson's and Wasatch Auto Supply.

I would also like to apologize at this time to anyone who may have been inconvenienced by my bright green flyers advertising the Father's Day sale. Perhaps new business owners could be oriented to laws pertaining to this community so as to avoid receiving threatening phone calls and learning the "hard way" that something you have done is not in compliance with local laws.

Thank you,
Barbara Bird
